TRUE SCIENCE IS A CHRISTIAN'S FRIEND

DECEMBER 4, 5 & 6, 2026

Youth And Family Weekend

Dr Michael Houts, MIT Graduate, NASA Scientist and Auxiliary Staff Scientist for Apologetics Press, will speak on how true science is now catching up to the Bible.

- Why is true science a Christian's friend?
- The origin and evolution of life
- The age of the earth
- We are without excuse
- Societal implications of atheistic evolution
- What is the most important decision I must make?

Friday at 7pm: Snacks and a movie. The movie : "Is Genesis History?" Dr. Houts will bring his telescope to look at the stars!

Saturday at 11am: Various topics, Lunch and Q&A.

Sunday at 10am: Bible Study and 11am: Worship

Invite your friends!
