A seminar that examines
Society’s attack on biblical morality and the home

Session 1: “Symptoms of the Disease”
Session 2: “Causes of the Disease”
Sessions 3-6: “Metastasis: Spreading the Disease”
Session 7: “Treatment & Remission”
STAGE IV CULTURE CANCER

Session 1: “Symptoms of the Disease”
Seven cultural signs that lead to a bad prognosis for the survival of a society, including toleration of homosexuality and abortion.

Session 2: “Causes of the Disease”
From the beginning, Satan has been at the root of the disease. Since many Americans are “ignorant of his devices” (2 Corinthians 2:11), many are unwittingly indulging in the very things that initiate spiritual cancer in our culture. Every Christian should ask the question, “If, like Satan, my goal was to infect a society with widespread sin, what would I do?”

Sessions 3-6: “Metastasis: Spreading the Disease”
From Satan’s perspective, what would be the most effective way to cause the rapid spread of the disease throughout the population? Answer: Target the home. Session 3: Dating; 4,5: Marriage & Gender Roles; 6: Childrearing

Session 7: “Treatment: Sending the Disease into Remission”
Doctors say that cancer cannot yet be cured. But it can be sent into remission by means of an effective treatment. What treatment should be given to send culture’s spiritual cancer into remission?

Jeff Miller holds a Bachelor’s degree from Freed-Hardeman University, as well as Bachelor’s and Master’s degrees from the University of Texas at Arlington, and a doctorate degree from Auburn University. He has mentored and instructed youth and preached for over 20 years. He has authored dozens of apologetics articles, several books and materials for adults and children. Dr. Miller currently serves in the Science Department at Apologetics Press in Montgomery, AL and is the Associate Editor of the monthly Christian evidences journal, Reason & Revelation, and the Editor of the Apologetics Press Bible Class Curriculum. He lectures around the country on Christian Evidences, science, the Bible, evangelism, and the home. Dr. Miller is married to Julie and has five children (Evelyn, Celeste, Davy, Campbell, and Quintus).
